

## CERTIFICATE OF WARRANTY

### GYPSUM BOARD PRODUCTS

This letter certifies that Panel Rey® warrants all of its Gypsum Board products to be of consistent quality and free from any defect.

Panel Rey® is a privately owned Mexican Manufacturer affiliated to Promax Group with over 90 years of experience in the construction industry and over 20 years of experience supplying Texas with building products.

All of our raw materials are imported from North America. Our high grade gypsum rock is sourced from our quarry located in Monterrey, Mexico and our paper is manufactured at our paper mill just miles away from our facilities.

All the products manufactured by Panel Rey® exceed ASTM standards, and, by no means, are health hazardous. We are certified by two US Laboratories (Underwriters Laboratories in Northbrook, Illinois, and Omega Point Laboratories in San Antonio, Texas ) which guarantee our builders that Panel Rey will always provide gypsum board products of the highest quality and dependability for any project.
